CONEXIO Corporation

CONEXIO Selected for inclusion in the ESG-investment index "FTSE Blossom Japan Sector Relative Index"

CONEXIO Corporation (Hiroshi Suguta, President ; headquartered in Minato-ku, Tokyo ; hereinafter "CONEXIO") has been selected as a constituent of an index "FTSE Blossom Japan Sector Relative Index" for Japanese companies that are actively working on ESG.

The index is calculated by FTSE Russell of the United Kingdom and is an index that reflects the performance of Japanese companies with superior environmental, social and governance (ESG) responses in each industry. It is also adopted as a passive investment benchmark for ESG of Japan's Government Pension Investment Fund (GPIF).

CONEXIO has incorporated "SDGs management" as part of our "CONEXIO Plan 2023," our medium-term management plan. To contribute to the sustainable growth of society, we practice SDGs management through our core businesses and specialized fields.

CONEXIO will further promote these efforts to achieve sustainable growth and increase corporate value over the medium to long term.
